Dimanche matin.

Mon cher amour,

Je me réveille avec une grande envie de te voir. Je me languis de toi. Tu me manques terriblement. Je pense à toi tout le temps. Je t'aime de plus en plus. Je t'adore. Je t'aime à la folie. Je t'aime à en perdre la raison. Je t'aime à en devenir fou. Je t'aime à en mourir.

Ton Bien-aimé,

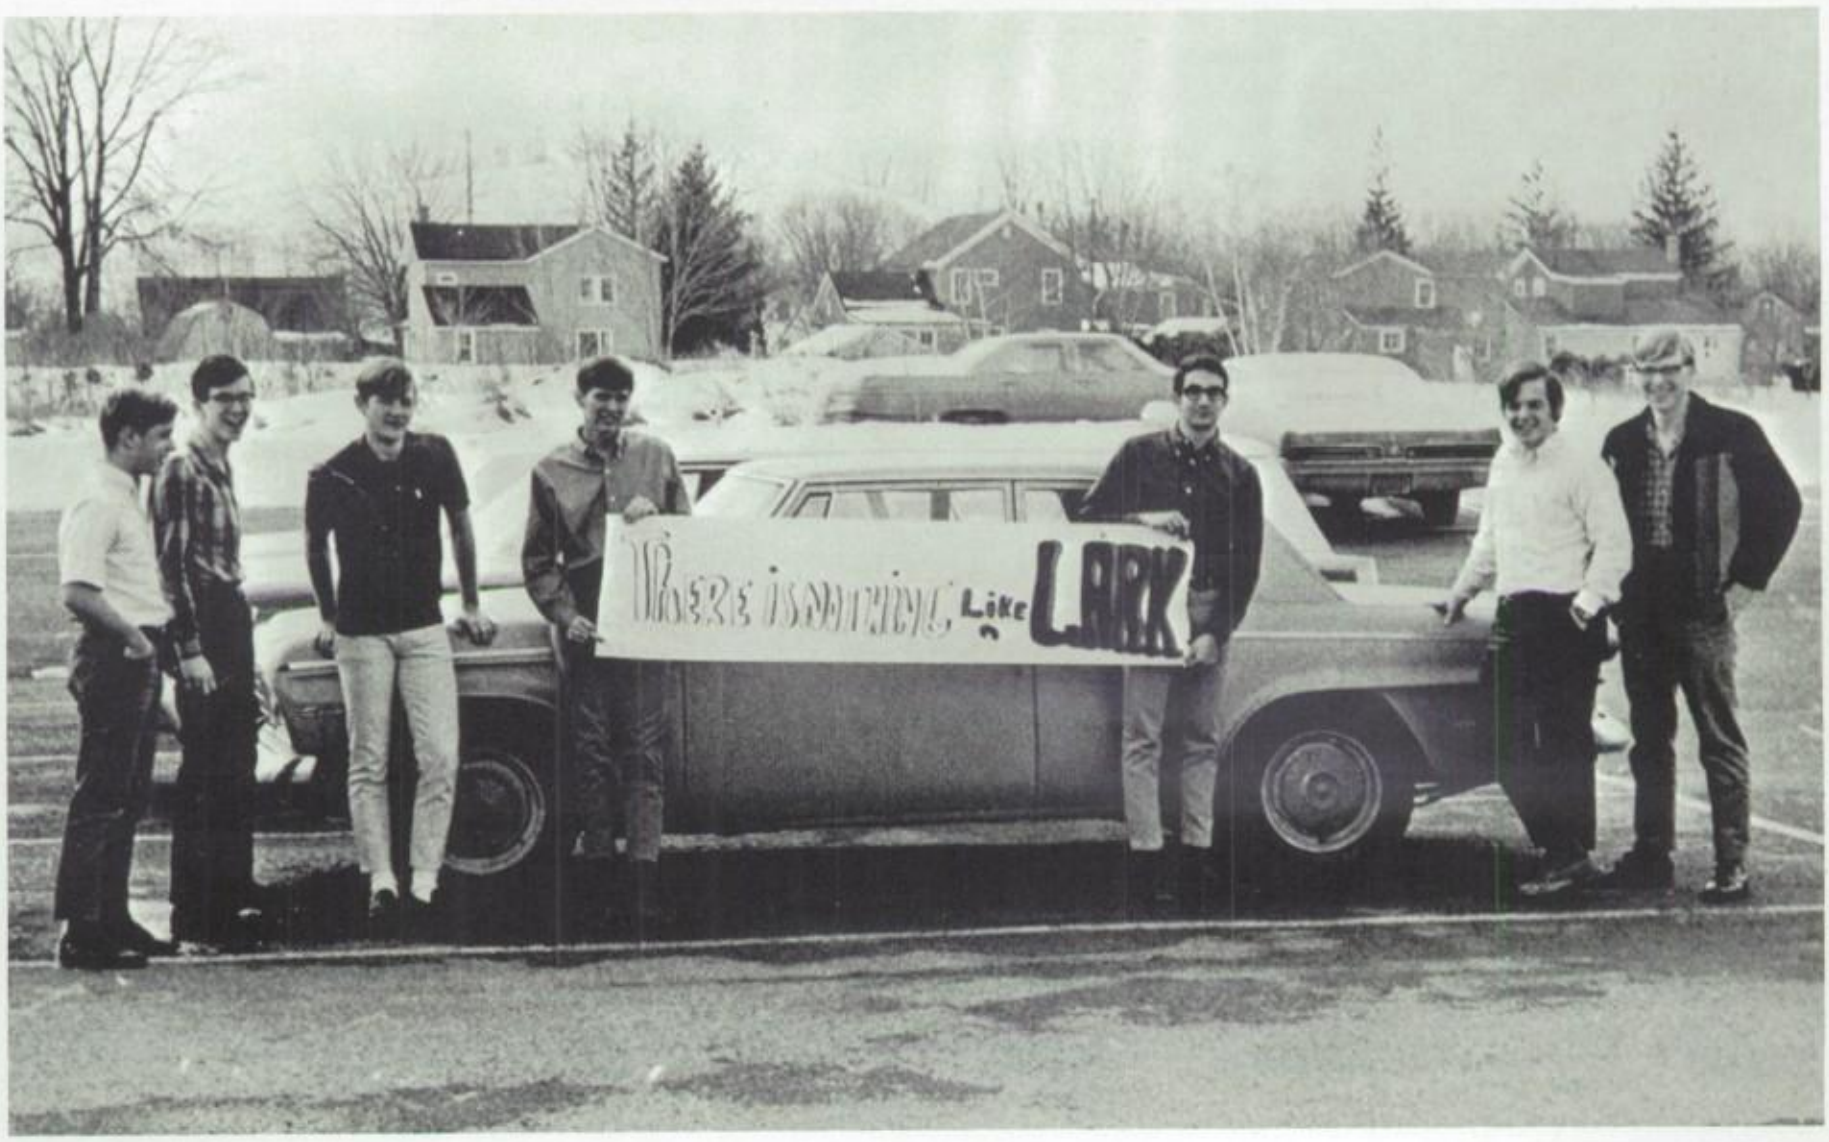
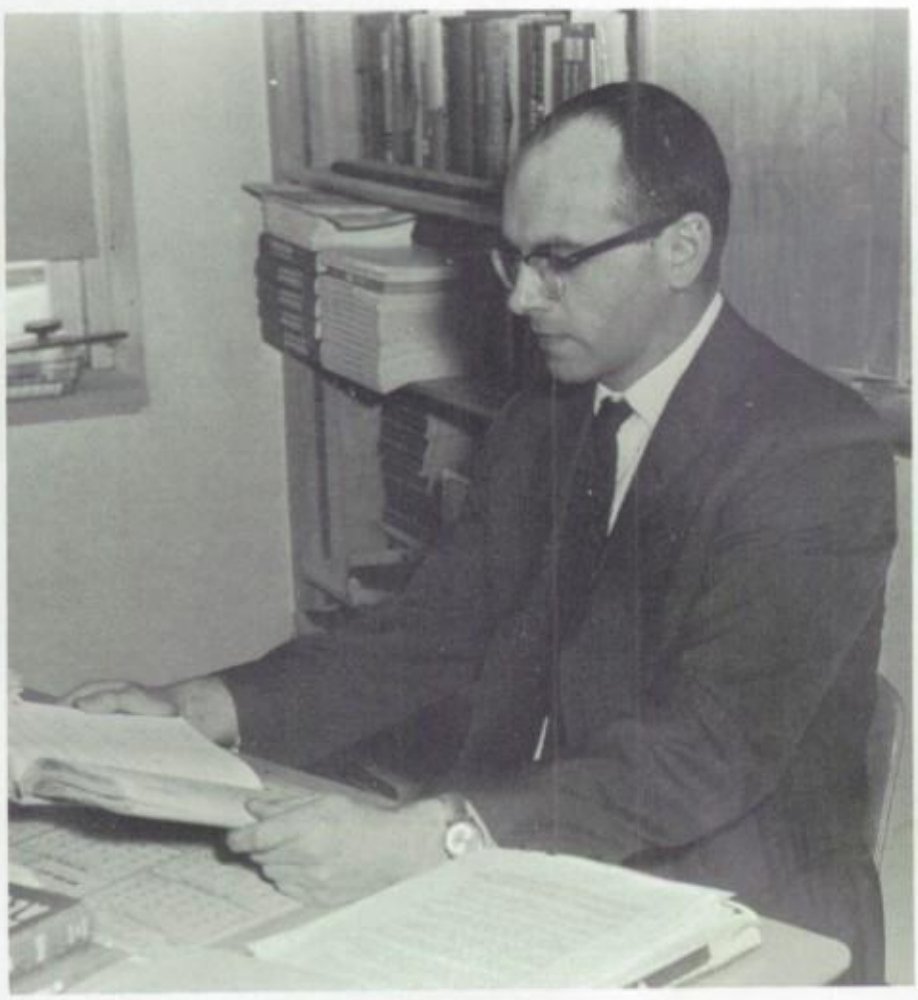
DEDICATION





We, the Seniors wish to dedicate our yearbook to you. We feel that you have significantly helped several of us through your teaching, and all of us through your presence. You have the ability to talk to any student on any level of conversation. We feel that you are an asset to our school.

Many of us owe you more than we could ever repay. What we have learned from you will be most valuable, especially to those of us who will go on to higher learning. You have taught us much more than what is found in a textbook. You have taught us about life. For this you will be long remembered.
